The property is located at Tax Map Number 30-1((01)) Parcels 37, 38, 39, 41, 42, and 42B. With reference to his written Board Matter, he said that the applicant desires some minor modifications to its approved Conceptual Development Plan/Final Development Plan that will not increase the number of units or decrease the amount of open space.

Accordingly, Supervisor Mendelsohn moved that the Board direct staff of the Department of Public Works and Environmental Services and the Department of Planning and Zoning to proceed with concurrent and expedited processing of this application. He noted that this motion does not relieve the applicant from compliance with the provisions of any and all applicable ordinances, regulations, or adopted standards, and does not constitute support by the Board for the rezoning application. The applicant recognizes the risks involved in proceeding this way.

Supervisor Connolly seconded the motion, which carried by a vote of nine, Supervisor Frey being out of the room.

Their application, which was submitted in January 2003, has been accepted and identified by the County as Rezoning Application RZ 2003-PR-016. He said that, unfortunately, the Planning Commission will not hear this case until September. Since the Board will not hear any land use cases after October due to the election, the DeMarcos are concerned that their case may not be heard by the Board until 2004.

Therefore, Supervisor Connolly moved that the Board direct the Director of the Department of Planning and Zoning to schedule Rezoning Application RZ-2003-PR-016 for a public hearing before the Board for a date certain before the Board ceases to hear land use cases in October of 2003. He is willing to work with staff to design and dedicate property in conformance with the roadway plan. Staff has indicated that they are moving forward with plans and expect to be in the acquisition phase in September.

Therefore, Supervisor Frey moved that the Board:

ADDITIONAL BOARD MATTERS

42. **RETROACTIVE WAIVER REQUESTED (MOUNT VERNON DISTRICT)**
(Tape 6)

Supervisor Hyland said that his office was recently contacted by the Campagna Center which is planning to hold its annual fundraiser, the 33rd Toast to Alexandria, at Collingwood-on-the-Potomac on May 18. He added that because there are 24 area participating restaurants involved in the event, the Campagna Center was asked by the Fairfax County Health Department to pay \$40 to cover temporary food permits for each of the food vendors.

Supervisor Hyland said that because the Campagna Center was never asked to pay this permit for each restaurant in the past, the Center was not aware of this fee. The Campagna Center paid \$960 to the County of Fairfax to cover this for each restaurant and asked whether the Board would consider it for reimbursement of the \$960 since this is a fundraising event.

Accordingly, with concurrence of the County Attorney, Supervisor Hyland moved that the Board direct staff to reimburse the temporary food permit fees of \$960 to the Campagna Center. Supervisor McConnell seconded the motion and it carried by unanimous vote.

43. **RECOGNITION OF MR. ROBERT B. BOXER FOR HIS SERVICE TO THE COUNTY** (Tape 6)

Supervisor Hyland announced that Robert B. Boxer, Director, Construction Management Division, Department of Public Works and Environmental Services, is retiring after 26 years of service. Supervisor Hyland referred to his written Board Matters which outlined Mr. Boxer's County career.

Supervisor Hyland asked unanimous consent that the Board direct staff to invite Mr. Boxer to appear before the Board to be recognized for his 26 years of loyal and dedicated service with County. Without objection, it was so ordered.

44. **RECOGNITION OF STAFF AND PARTNERS INVOLVED IN COMPUTER LEARNING CENTER (CLC) IN LORTON (MOUNT VERNON DISTRICT)** (Tape 6)

Supervisor Hyland announced that on May 1, 2003, the Office of Partnerships celebrated the opening of its thirteenth CLC at the Lorton Community Action Center (LCAC).

Supervisor Hyland noted that the event and the opening of the CLC was highly successful through the collaborative efforts of the Office of Partnerships headed by Sandy Lowe; Molly Lynch, President of the Lorton Community Action Center; and its many partners.

Supervisor Hyland asked unanimous consent that the Board direct staff to invite Ms. Lowe, pertinent Office of Partnerships staff, Ms. Lynch, and the business partners responsible for the CLC at the LCAC Community Center to appear before the Board to be recognized for their accomplishments. Without objection, it was so ordered.

45. **RESOLUTIONS FROM THE MOUNT VERNON COUNCIL (MVCCA)
(MOUNT VERNON DISTRICT)** (Tape 6)

Supervisor Hyland said that the MVCCA approved two resolutions requesting support.

Supervisor Hyland said that one resolution reaffirmed the Council's support for three full lanes of traffic in each direction instead of the four in each direction proposed in the study.

The second resolution requested action to ensure that the Virginia Department of Transportation includes the MVCCA proposed designs for the grade separated interchanges at Buckman Road (North)/Route One/Route 235 and at the King's Crossing/Route One location in the final Route One Location Study drawings.

Therefore, Supervisor Hyland asked unanimous consent that the Board refer these issues to staff for review and recommendation. Without objection, it was so ordered.

46. **JOINT BOARD MATTER WITH SUPERVISOR MENDELSON TO
OPPOSE CHANGES TO SLOT AND PERIMETER RULES AT RONALD
REAGAN WASHINGTON NATIONAL AIRPORT** (Tape 6)

Jointly with Supervisor Mendelsohn, Supervisor Hyland said that Senator McCain once again reintroduced a bill (Senate Bill 824) which will impose changes on the slot and perimeter rules at Ronald Reagan Washington National Airport. All County residents will be adversely affected by this proposed change.

Supervisor Hyland said that the Metropolitan Washington Council of Governments (COG) has been the catalyst organization for coordinating regional issues such as air traffic and its impact on surrounding communities. An additional 24 slots, with 12 of those going beyond the perimeter, were added despite COG's objections. Now Senate Bill 824 proposes an additional 24 slots without any assessment done on its impacts. Conference language calls for the Department of Transportation to conduct a study comparing noise at the four Metropolitan Washington airports today as compared with ten years ago.

Furthermore, impacts on air quality are a significant factor in view of the Metropolitan Washington vicinity being named a "non-attainment" area. Additional flights in and out of National Airport would only exacerbate the situation.

Accordingly, Supervisor Hyland moved that the Board support communicating to Senator McCain and to the Congressional delegation the Board's unequivocal opposition to any increase or further alteration of the slot and perimeter rules at Ronald Reagan Washington National Airport as proposed by Senate Bill 824. Supervisor Kauffman seconded the motion.

Following discussion, Supervisor Mendelsohn asked to amend the motion to:

- Send a copy of the letter to Congressman Don Young from Alaska.
- Include in the letter a reminder that this airport opened more slowly than other airports following the attacks of September 11, 2001, and increasing these kinds of flights when it is still under greater security is ill advised.

This was accepted.

Following discussion, the question was called on the motion, as amended, and it carried by unanimous vote.

47. **IMPLEMENTATION OF AN AGREEMENT WITH LORTON ARTS FOUNDATION (LAF) (MOUNT VERNON DISTRICT)** (Tape 6)

Supervisor Hyland said that at the Board's last meeting, staff was asked to provide a timetable for implementing an agreement with LAF to develop an arts center at the Occoquan Workhouse. He said that included in his written Board Matter is a memorandum from the County Executive identifying a preliminary list of actions needed to further implementation of the LAF proposal, an anticipated timeline for processing the proposal, and a preliminary list of issues that need to be better understood.

To permit LAF to progress on its proposal, Supervisor Hyland moved that the Board:

- Authorize the LAF to file a rezoning application as its agent.
- Direct staff to develop a limited agent agreement for Board action at the next Board meeting on June 2, 2003, that sets forth the terms and conditions by which LAF may act as the Board's agent.

Supervisor Mendelsohn seconded the motion.

Following discussion, Chairman Hanley noted that her previous Board Matter requesting a timeline to be included in the Board Agenda had not yet been addressed.

Therefore, Chairman Hanley relinquished the Chair to Acting-Chairman McConnell and asked to amend the motion to direct staff to provide a response in the Board package about the timeline of what is to happen and when it will be completed, and this was accepted.

Following discussion, with input from Anthony H. Griffin, County Executive, Chairman Hanley asked to amend the motion that the Board:

- Direct staff to develop a limited agent agreement for Board action at the next Board meeting on June 2, 2003, that sets forth the terms and conditions by which LAF may act as the Board's agent.
- Authorize the LAF to file a rezoning application as its agent.

This was accepted.

Acting-Chairman McConnell returned the gavel to Chairman Hanley.

The question was called on the motion, as amended, and it carried by unanimous vote.

48. **AMENDMENT PROPOSED FOR WOODLAWN LITTLE LEAGUE FIELDS (MOUNT VERNON DISTRICT)** (Tape 6)

Supervisor Hyland said that after years of improving the ballfields owned by Fort Belvoir, the Woodlawn Little League, which serves not only children of County residents but also those of military personnel based at the post, the Little League was told that it would need to find other fields for its youth baseball teams.

Recently, an amendment to Senate Bill S.1050 proposed by Senator Allen, stipulates that the Secretary of the Army convey, without consideration, to Fairfax County, all right, title, and interest of the United States the property located along Pole Road in Alexandria, VA referred to as the John McNaughton Memorial Baseball Fields.

Accordingly, Supervisor Hyland moved that the Board support a communication to Senator Allen and the Congressional delegation be sent under the Chairman's signature strongly urging support of this Amendment to S.1050. Supervisor Connolly seconded the motion and it carried by unanimous vote.

Vice-Chairman Hyland returned the gavel to Chairman Hanley.

Following a brief discussion, Supervisor Gross asked to amend the motion to also:

- Refer the letter from Michael Rolband, President, Wetland Solutions, Incorporated, to staff for a response regarding the whole

issue, especially the use of the terms “water bodies,” rather than streams.

- Direct staff to provide more information on IDAs and whether other areas in the County would meet the criteria for an IDA.

These amendments were accepted.

In reference to the assertion that the County's ordinance significantly exceeds the State's minimum and the only specific item pointed out was the difference of the width of the stream, Supervisor Frey asked to amend the motion to direct staff to enumerate anything related to the code amendments that exceeds the State's required minimum. Following input from Mr. Friedman, this was accepted.

With reference to the only items that are not subject to appeal by any aggrieved party being "administrative waivers and determinations by the Director," and the three bulleted items listed on page 98 of the Board Agenda regarding minor additions to existing principal structures, Supervisor Kauffman asked to amend the motion to direct staff to specifically explain those items that are "administrative waivers and determinations by the Director."

Following input from Mr. Friedman, this was accepted.

With reference to the map provided to the Board, Chairman Hanley relinquished the Chair to Vice-Chairman Hyland and asked to amend the motion to direct staff to explain what the blue-colored area indicated at the corner of I-495 (the Beltway) and I-66 in Tax Map 49-2. This was accepted.

Vice-Chairman Hyland returned the gavel to Chairman Hanley.

The question was called on the motion, as amended, and it carried by a vote of nine, Supervisor McConnell being out of the room.
