

Community-wide Energy and Climate Action Plan (CECAP)

Update

Ali Althen, Public Information Officer
Office of Environmental and Energy Coordination
December 8, 2020

CECAP Working Group Model

- The Working Group currently has 76 members.
- Two subgroups have been formed to address sector-specific strategies.
- The subgroups had their initial meetings on December 1 and December 2, 2020.

CECAP Working Group Meeting Timeline

Working Group Communications

- Regular weekly emails with top line messaging and links to additional resources.
- Agendas and materials at least one week in advance of each meeting.
- Reliance on the website to host and share relevant information with members and the public.

CECAP Web Presence

- All CECAP materials are located within five, easy to navigate sections.
- The CECAP Working Group has a dedicated set of pages.
- Task Force and Focus Group archival materials now live on the Working Group page.
