

# ADDITIONAL DOCUMENTS REQUIRED FOR LICENSED CAMPS

Only the camps listed below require additional documents. These camps are licensed by the **Virginia Department of Education** and therefore require an immunization record as well as proof of child's identity on the first day of camp:

- **Kiddie Camps: Franconia Rec Center**
- **All About Animals: Frying Pan Farm Park**
- **Adventures on the Farm: Frying Pan Farm Park**
- **Camp Bloom & Grow: Spring Hill Rec Center**

## IMMUNIZATION RECORD

A physician's form/record/copy is acceptable if it:

- ✓ Indicates the child is adequately immunized
- ✓ Indicates the dates of administration including month, day and year of vaccines
- ✓ Is signed or stamped by a physician, registered nurse or health department official

 *Please keep originals of any documents and only provide copies to camp.*

- A Certificate of Religious Exemption may be submitted if immunizing conflicts with your religious practices. Email [camps@fairfaxcounty.gov](mailto:camps@fairfaxcounty.gov) for the exemption certificate.
- A physical record is also required if the child is attending one of the above camps for longer than four consecutive weeks.

## PROOF OF CHILD'S IDENTITY

- Proof of identity is shown upon arrival on the first day. We do not collect these documents.
- Proof of child's identity and age may include any of these: original or certified copy of child's birth certificate; birth registration card; and notification of birth record, passport, adoption/foster placement agreement or a public school report card.
- Although we cannot keep a child out of camp without this proof, we are required by law to notify the authorities within seven days if we are not shown proof of child's identity.
