**6<sup>th</sup> Anniversary of the Oakton Pantry**

Members of the Board,

The Oakton Pantry is celebrating its 6th anniversary this year! The Oakton Pantry, located at Oakton High School, is available to help Oakton High School students and families in need. They offer non-perishable food, personal hygiene items, household cleaning products and school supplies.

The Oakton Pantry has shown how important it is to give back to our community and in return, the Oakton community has given an overwhelming degree of generosity to the Oakton Pantry. The donors continue to ensure that the shelves stay stocked, and the needs of the community are fulfilled. Staff members, students, and community volunteers devote their time to keep the Pantry operating and running smoothly.

The winter is an especially busy time for the Panty and this year they are seeing a record number of students visit the Pantry on a weekly basis. They continue to rely on the community for donations. We are indebted to the many individuals who have worked tirelessly to bring the Oakton Pantry to fruition and who have shown their kindness and dedication in providing such a wonderful resource to our students and families.

Therefore, I move without objection that the Board recognize the 6th anniversary of the Oakton Pantry. I give a sincere thank you to the many individuals who helped create, build, and continue to sustain the Oakton Pantry.
