

Sull-E Newsletter

A message from Kathy Smith

On Tuesday, I co-hosted a town hall on the dangers of Heroin overdose with Supervisor Pat Herrity and School Board Member Jeannette Hough. This is a very personal issue for many people in our community and I was happy to provide a space for people to share their stories and learn about the issue. I hope you will stay engaged as we move forward.

Earlier this morning, I cut the ribbon on Carfax's grand reopening in Centreville. It's very important to me that we make Sully District a great place to work and do business. I'm glad to see Carfax named one of the best places to work in the Washington region. I wish them continued success and hope they continue to grow and expand.

My office remains committed to serving your needs. Please let me know if there's anything we can do for you. You can reach me at Supervisormsmith@fairfaxcounty.gov or 703-814-7100.

Metro's Safetrack Safety Surge #2 Starts Tomorrow

Beginning Saturday, June 18, 2016, through Sunday, July 3, 2016, [Metro's Orange, Blue and Silver Line customers will be impacted](#) by a line segment shutdown between **Eastern Market & Minnesota Avenue/Benning Road**, and **no Blue Line service between Arlington Cemetery and Rosslyn**. Orange, Blue and Silver line trains are expected to be very crowded, especially during rush hour due to severe service reductions.

Residents, visitors and others who travel via Metrorail and on any of the major corridors within Fairfax County including I-66, I-495, Dulles Toll Road, and I-95, will be significantly impacted by the track work beginning June 18. Close to 300,000 daily trips across the Metrorail system will be impacted by SafeTrack Surge #2 track work, and commuters should expect long wait times during rush-hour on all lines. **To reduce the potential for gridlock on the roads and highways in Fairfax County that would result if thousands of employees turn to their private vehicles for their commutes, Fairfax County is urging commuters to telework and use flexible work schedules whenever possible, and encouraging the use of [alternate ways to commute](#) that do not involve driving alone.**

Weekday Metrorail service will run as follows during SafeTrack Surge #2:

- Orange Line trains will run every 10 minutes outside shutdown zone with all 8 car trains.
 - Silver Line trains will run every 10 minutes outside shutdown zone with a mix of 6 and 8 car trains.
 - **Blue line trains will operate every 12 minutes between Franconia-Springfield and Arlington Cemetery ONLY; no rail or bus service between Arlington Cemetery and Rosslyn. Customers should use the Yellow Line and switch to Orange/Silver at L'Enfant Plaza to continue with their trip or use Arlington Transit (ART) [Route 43](#) between Crystal City and Rosslyn.**
 - Shuttle bus service will replace trains from Eastern Market to Minnesota Ave/Benning Road and operate every 5-10 minutes (shuttle buses stop ONLY at the Metrorail
-

stations). **The shuttle buses may be extremely crowded; customers should consider [Metrobus to bypass the Metrorail system](#).**

- At 10:00 p.m., all trains will run every 20 minutes.

4,000+ Available Parking Spaces & Express Bus Connections from Fairfax County to Arlington, Washington, D.C.

Carpooling, slugging, and the use of [Fairfax Connector express bus service](#) to Arlington, with bus and rail connections to Washington D.C., is strongly encouraged. **Along with [existing express bus connections](#), Fairfax Connector will continue to operate supplemental express service during SafeTrack Surge #2:**

e	Lines	Impact	Area Affected & Metro/Metrobus Information	Fairfax Connector Supplemental SafeTrack Express Service
y 18 - July 3		Line Segment Shutdown	Eastern Market to Minnesota Ave & Benning Road	Vienna-Pentagon **UPDATED** Reston-Pentagon **UPDATED** All Transit Connections ->

There are [more than 4,000 parking spaces available](#) at various Park-and-Ride facilities across Fairfax County that are open to carpoolers and sluggers, and provide convenient express or regular bus service to Arlington and Washington, D.C. For details on these facilities and a list of bus connections, visit www.fairfaxcounty.gov/safetrack.

Antique Car Show at Sully Estate Sunday

Sully's 43rd annual car show is co-sponsored by the Fairfax County Park Authority and the George Washington Chapter, Inc., associated with the Model A Ford Club of America. The show features more than 400 antique and classic cars. Buy the car of your dreams at the Car Corral, or browse the Flea Market to find the perfect accessory, craft or antique to make Father's Day memorable. You can also treat Dad to a delicious lunch and enjoy toe-tapping music by Jumpin' Jupiter and The Andrew Acosta Band.

<https://www.facebook.com/events/977816258983260/>

While you're strolling the grounds, see our photo exhibit of the evolution of the automobile and take time to cool off while touring the first floor of the 1794 home of northern Virginia's first congressman, Richard Bland Lee. The tour is included in the price of admission.

Sponsors for the show are the Fairfax County Park Foundation, Bratton's Antique Auto Parts, George's Automotive Restorations, J. C. Taylor Insurance, and Snyder's Antique Auto Parts.

Car show tickets are \$10 for adults, \$8 for seniors, and \$7 for children, and will be sold at the gates.

Ellanor C. Lawrence Park Master Plan Update

The Park Authority is pleased to announce that it has initiated the public process to update the Ellanor C. Lawrence Park Master Plan.

A project webpage has been established to keep you apprised of the master planning process with announcements about the progress of the park master plan and critical information about the park and the planning process. Follow the project at <http://www.fairfaxcounty.gov/parks/plandev/ECLawrence.htm>.

Public input is a key component in the development of a park master plan. We hope you will join us for a public information meeting to begin the discussion. The meeting will be held on:

Tuesday, June 28, 2016. From 7 p.m. to 8:30 p.m., at the Sully Government Center, 4900 Stonecroft Boulevard, in Chantilly

At this meeting you can learn more about Ellanor C. Lawrence Park, the master plan process and share your ideas for the park. You can also contact us anytime with comments or questions regarding the Ellanor C. Lawrence Master Plan via e-mail at parkmail@fairfaxcounty.gov.
